

EDB-IPP Nvidia-NTU PhD Scholarship

<http://igs.ntu.edu.sg/edb-ipp/Documents/Nvidia%20IPP%20Opportunities.pdf>

Preferred background

Computational fluid dynamics, CFD solver (OpenFOAM); Multiphase flow;
Machine learning, Deep learning;
GPU-based high performance computing;

Research topic available

Deep Learning Based High Performance CFD Simulation of Multiphase Flow with GPU

Contact

Li Hua (Associate Professor)

School of Mechanical & Aerospace Engineering, NTU (N3-02C-79)
